

Welcome to Calvary! We are glad that you are here to worship with us today. We want your time here at Calvary to be all that it can possibly be, so if there is anything we can do to assist you, please let us know. Calvary began out of a prayer meeting back in 1949 and has a rich heritage here in the community. But as with all things that have a little age on them, we are presently going through a little bit of refurbishing. We like to think of ourselves as a vintage church, with a fresh vision. There are two main truths that we try to live by, all found in one passage of scripture. Luke 10:27 says, "You shall love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbor as yourself." At Calvary, that is what we want to be about... Loving God and Loving Others. We know if we can do those two things well, the rest will fall into place. So as you visit us here, we hope that you will experience that love in some exciting ways.

*In His Grip,
Pastor Jeremy*
